

We are looking for a 6-Color Offset Press Operator for our Springfield location!

QSL Print Communications, a Koke New Century, Inc. company, has continuously set the bar for offset and digital print services in Lane County. We are a family-run business built on four generations of printers who value quality workmanship, honesty, respect and teamwork.

Position: CD Operator

Department: Press

Reports to: Production Manager

Shift: Swing

To Apply: please visit www.qslprinting.com/careers to submit your cover letter and resume. Ninja Code is 'CMYK'.

No walk-ins or phone calls please.

Broad Function

To produce quality printed materials by properly operating the CD press as specified on work orders and assist the production coordinator by reinforcing proper press procedures and protocols.

Offset printing is the standard bearer of commercial print communications. It is our specialty and we do it well. Our press team are craftsmen in the art of print and they represent QSL in a professional manner by being professional, courteous, helpful and respectful to our clients and coworkers at all times. Our team members are detail oriented, personally responsible individuals capable of performing their duties with minimal supervision.

Essential Responsibilities & Required Skills

- Secure printing plates
- Perform make-ready, printing and wash-up duties as required
- Mix inks as specified on the work order
- Load and offload paper stock
- Insure quality through monitoring press runs for imperfections and adjusting accordingly
- Maintain and repair press equipment and perform regularly scheduled inspections as recommended by the manufacturer
- Keep accurate records of all repairs and scheduled maintenance performed
- Operate densitometer
- Log run times and labor functions on work orders, time cards, and through our interactive workflow platform
- Perform other duties as necessary
- Ensure that jobs maintain a high level of quality and are completed on time
- Be a multi-tasking problem solver that can work under pressure of deadlines
- Adhere to all Koke New Century, Inc. policies and procedures as detailed in the employee handbook

Required Experience

A minimum of five years experience operating a 4-color or higher offset press

Education

- High school diploma or equivalent

Demonstrated Abilities

- Must be able to operate, troubleshoot and repair offset press equipment at journeyman level
- Must be organized and able to handle multiple tasks without supervision
- Must have good internal customer service skills in working co-worker
- Basic numeric calculations as well as writing, reading, comparing and analyzing

Physical

- Continuous standing and/or sitting for long periods of time when providing services and carrying out other responsibilities
- Lifting up to 50 pounds unassisted
- Bending, squatting, or kneeling to reach and work with equipment on ground and machine level
- Reaching above shoulder level to reach supplies overhead
- Pulling and or pushing, exerting force up to 50 pounds with equipment that assists
- Continuous use of hands in repetitive tasks such as grasping, twisting/turning of wrists; finger dexterity to perform various duties with tools required
- Continuous speaking and hearing for interactions with supervisors and coworkers
- Color determination without color blindness
- Continuous clarity of vision at 20 inches or more for press operating purposes

Mental

- General intelligence, continuous motor coordination skills, continuous alertness due to equipment and machinery surroundings
- Frequent use of judgment, reasoning, and patience, in solving issues

Working Conditions

Work is performed in a manufacturing/printing press environment and also requires mobility within the production work area. There is exposure to constant and intermittent sounds of machinery in a production environment. Temperatures can fluctuate to the extremes around machinery. Operating printing presses creates exposure to various chemicals and can also include dusts, fumes, vapors or mists.
